Add more commits by pushing to the emp2 branch on Shruti181807/Practice-.

**Require approval from specific reviewers before merging**

Branch protection rules ensure specific people approve pull requests before they're merged.

Add rule

**Continuous integration has not been set up**

GitHub Actions and several other apps can be used to automatically catch bugs and enforce style.

**This branch has no conflicts with the base branch**

Merging can be performed automatically.
